Notification of Non-Compliant Appeal Brief (37 CFR 41.37)	Application No.	Applicant(s)	
	09/768,482	WIGGINS ET AL.	
	Examiner	Art Unit	
	TED T. VO	2191	

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address--

The Appeal Brief filed on 20 April 2009 is defective for failure to comply with one or more provisions of 37 CFR 41.37.

To avoid dismissal of the appeal, applicant must file an amended brief or other appropriate correction (see MPEP 1205.03) within **ONE MONTH or THIRTY DAYS** from the mailing date of this Notification, whichever is longer.
EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136.

1. The brief does not contain the items required under 37 CFR 41.37(c), or the items are not under the proper heading or in the proper order.
2. The brief does not contain a statement of the status of all claims, (e.g., rejected, allowed, withdrawn, objected to, canceled), or does not identify the appealed claims (37 CFR 41.37(c)(1)(iii)).
3. At least one amendment has been filed subsequent to the final rejection, and the brief does not contain a statement of the status of each such amendment (37 CFR 41.37(c)(1)(iv)).
4. (a) The brief does not contain a concise explanation of the subject matter defined in each of the independent claims involved in the appeal, referring to the specification by page and line number and to the drawings, if any, by reference characters; and/or (b) the brief fails to: (1) identify, for each independent claim involved in the appeal and for each dependent claim argued separately, every means plus function and step plus function under 35 U.S.C. 112, sixth paragraph, and/or (2) set forth the structure, material, or acts described in the specification as corresponding to each claimed function with reference to the specification by page and line number, and to the drawings, if any, by reference characters (37 CFR 41.37(c)(1)(v)).
5. The brief does not contain a concise statement of each ground of rejection presented for review (37 CFR 41.37(c)(1)(vi))
6. The brief does not present an argument under a separate heading for each ground of rejection on appeal (37 CFR 41.37(c)(1)(vii)).
7. The brief does not contain a correct copy of the appealed claims as an appendix thereto (37 CFR 41.37(c)(1)(viii)).
8. The brief does not contain copies of the evidence submitted under 37 CFR 1.130, 1.131, or 1.132 or of any other evidence entered by the examiner **and relied upon by appellant in the appeal**, along with a statement setting forth where in the record that evidence was entered by the examiner, as an appendix thereto (37 CFR 41.37(c)(1)(ix)).
9. The brief does not contain copies of the decisions rendered by a court or the Board in the proceeding identified in the Related Appeals and Interferences section of the brief as an appendix thereto (37 CFR 41.37(c)(1)(x)).
10. Other (including any explanation in support of the above items):

See Continuation Sheet.

/Ted T. Vo/
Primary Examiner, Art Unit 2191

Continuation of 10. Other (including any explanation in support of the above items):

The brief does not comply with the headings which are required for a brief. See in the section Appeal in MPEP.

Box2. The brief does not have a statement for the status of the claims.

Box4. The brief does not contain the section as specified in this box.

Box7. As stated/defined in MPEP, the Copy of theAppealed Claims in the Appendix contains the claims on appeal. Appellant has the copy of pending claims on appeal which has the claims 23-25 be withdrawn from the consideration. As noted that, the Board of Appeals and Interferences (Board), in Ex parte Ghuman, <http://www.uspto.gov/web/offices/docom/bpai/prec/rm081175.pdf> (BPAI May 14, 2008) (precedential), held that in appeals where rejected claims are expressly withdrawn, or are implicitly withdrawn by not presenting arguments in support of patentability, the Board will remand (or return) the application to the Examiner with instructions to cancel the expressly or implicitly withdrawn claims. See also MPEP § 1215.03 (8th ed. Rev. 7, Sept 2008).

Therefore, appellant should cancel the claims 23-25 before a remand might occur. All filing procedures should see in MPEP.
